PROJECT DETAILS:

MONEY KHATA APP

DURATION: 45 Days (Jan'15-March'15)

This app is about Retailer Management. I made this app as a *freelancer* for my client "AKHIL TRADERS". In this app, a particular dealer/firm can add the vast list of all the retailers with. And they also can add the committed transactions between the dealer/firm and their retailers. In this app, I have provided data backup/restore options, and also provided option for exporting a ledger/csv file. There is an option for storing ledger/csv file on cloud (Drive, Gmail etc.).

GOOGLE PLAY STORE LINK FOR THE APP:
