OBJECTIVE

I want to become a good developer with great programming habits.

PROJECT EXPERIENCE

MOBHE – Healthcare Android App

Android Developer, Idea Bubbles Consulting Pvt Ltd
Bengaluru — December 2014 - now

Mobhe allows you to consult a Doctor on demand. In addition users can get medicines delivered at home, get lab samples collected from home and request for home visits by nurses, physiotherapists.

Accomplishments

- Integration with Paytm payment gateway
- Used ooVoo android video chat SDK to send video feed on mobile data network. Native voice audio was used in lower bandwidths.
- Technologies - Android SDK, ooVoo SDK, Paytm PG SDK and Parse.com (MBaaS)

IGotVoice - An android app for people with autism

Android Developer, Idea Bubbles Consulting Pvt Ltd
Bengaluru — October 2014 - December 2014

An android application which helps the people with speech disorder to communicate with others by playing the recorded messages.

Accomplishments

- Built the entire app from scratch myself.
- Solved a problem related to saving ParseFile in Parse Local DataStore in offline mode.
- Technologies - Android SDK

Towers of Hanoi – Android Game

Personal Project

Towers of Hanoi is a mathematical puzzle where the objective is to move a stack of disks from the left-most pole to the right-most pole in the least amount of moves, the catch being a smaller disk must always be stacked on top of a larger, and never the other way around.

- Link : <https://github.com/ashokguju/Towers-of-Hanoi>
- Technologies - Android SDK

Tv Guide – Android Application

Personal Project

Tv Guide allows you to find out what's going on television now and next 24 hours. It also provides a description about the show.

- Link : <https://github.com/ashokguju/Tv-Guide>
- Technologies - Android SDK & Volley Library

EDUCATION

RGUKT IIIT Basar

Computer Science & Engineering — 2010 - 2014
CGPA - 7.84/10

RGUKT IIIT Basar

XIIth, MBiPC — 2008 - 2010
CGPA - 8.33/10

ZPHS Rajagopalpet

Xth, SSC — 2007 - 2008
Percentage - 85.8%

HOBBIES

- Programming
- Volleyball and Cycling.

EXTRACURRICULAR ACTIVITIES

- Participated as live webcast engineer in AP by-elections, thrice
- Worked as Samskar-MEDVAN-UNICEF radio child reporter in 2007
