12th std	PU	90	2011
B.E in CSE	RVCE	9.6(till date)	2015

Semester wise SGPA

Semester	I	II	III	IV	V	VI
SGPA	9.39	9.45	9.83	9.82	9.46	9.56

EXPERIENCE

Summer intern at Indian Institute of Science (IISc), Bangalore, 2013. Project was undertaken on Social Network Analysis (Game Theory), under the guidance of renowned Prof. Y. Narahari.

PROJECTS (Non- curricular)

- Presented paper "Literature Review: ACO techniques in routing of wireless networks", at the National Women's Science Congress held in November 2012.

- Implemented a GSM interface to automated irrigation system using Arduino, along with an android application that controls the irrigation.
- Proposed an automated waste management system in the Cisco IoT Challenge.

PROJECTS (Curricular)

- Designed a website based on matrimonial database with social networking facilities.
- Android application for character recognition
- Implemented an SNMP manager-server system in C

SKILL SET

Operating Systems	Windows XP/7/8, Ubuntu, Fedora
Programming languages	C, Java, C++ (in order of proficiency)
Web Technologies	HTML,CSS,Javascript,PHP
Mobile applications	Android

I have spent the last two years strengthening my skills and knowledge in the field of Computer Science and loving every minute of it.

ACHIEVEMENTS

- Won in the ITC Sequoia Hack, a 24 hour hackathon for professionals, September 2014.
- Placed first in "Join the Dots', a coding event at Pravega, in IISc, January 2014.
- Paper on "Experimental analysis on Influence Coverage in Social Networks", presented at SJCE fest, selected as the best paper by IBM, sponsors of the event, October 2013.
- Won in Mojojojo – a 24 hour Hackathon conducted by Huawei, at MSRIT, in March 2014.
- Won C-5, a coding contest in 8th Mile fest of RVCE, March 2014.
- I was placed first at "Tech Hunt", a coding event in Christ University inter-college fest, February 2013.
- CET Engineering rank: 247
- School topper 10th std. ICSE board
- School topper in 10th National Science Olympiad (NSO)

HOBBIES

- Training in Bharatanatyam for the last nine years
- Athletics
